JULY 2021 NF LIFE ENRICHMENT ACTIVITIES

** Activities, times and locations are subject to change* Please see L.E. for shopping needs: Hy-Vee delivers weekly. You must place your order by 10am on Wed mornings for Thursday delivery. Online ordering is occurring for other needed items. We are open for family/friend visit/car ride; we ask that people schedule as they are able. We are able to connect you with any type of religious service you would like via our iPads. Please let us know if you'd like to view a certain service. There are "in-room activities" available in each village, i.e. coloring books, word searches, etc. 1:1 visits occur throughout the day. There is a Clavinova in Coffee Nook, and computer in Family Parlor, which residents are able to use. We also have iPads available for virtual visits, etc. There are also TVs in each village as well as Family Parlor, for residents to utilize.*
