

EMS ADVISORY COMMITTEE

The Dubuque County EMS Advisory Committee serves as an advisory board for the Dubuque County Board of Supervisors. The committee consists of (5) active EMS responders who reside in Dubuque County and are active members of an EMS public safety agency. The EMS Advisory Committee will make recommendations as required to the Dubuque County Board of Supervisors. They are also the committee who work on any federal or state grant that is passed through the county and awarded to the association. The EMS Advisory Committee will serve four-year terms. To contact a member of the EMS Advisory Committee, please call (563) 589-4170.
